Findings

The school is a signatory to the *Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021* established under section 534 of the Education and Training Act 2020. The school has attested that it complies with all aspects of the Code and has completed an annual self-review of its implementation of the Code.

At the time of this review, there were 56 international students attending the school.

The school recently appointed a new International Director. This has resulted in a new strategic direction for the International Department aligned with the school's overall strategic goals. Clear processes and practices, including ongoing self-review, are in place. The checking and monitoring of home stay families is ongoing with regular visits and phone communication.

Students reported enjoying the school environment and location. They are aware of the range of support networks available to them. School-based feedback from international students over the past three years shows a large majority of learners report highly positive classroom learning experiences.
